NOUNS - FRONT

Nombre _____ Fecha _____ Clase _____

Video 1

1. Which fruits and vegetables are named in the video? Write each Spanish noun with its article.

2. Which noun can be masculine or feminine depending on the country? Write both forms.

3. What word do some countries use instead of aguacate? Explain how the noun's gender changes too.

4. Sort brócoli, berenjena, kiwi, habichuela, aguacate, and palta into masculine and feminine groups.

Video 2

1. How does the video define a noun? Give one person, one place, and one thing as examples.

2. Why do nouns ending in -ista depend on the person being described rather than the ending?

3. Use artista, dentista, pianista, or taxista in two phrases: one referring to a man and one to a woman.

4. What second noun ending follows the same pattern? Give two examples from the video.
